"THE FUTURE'S LOOKING BRIGHT FOR THE MARKET TOWN THAT SELLS ITSELF" *Yorkshire Post Property Post*

A vibrant working market town in growth - Malton, unlike many of its contemporaries, is enjoying a sustained increase in visitor footfall and spend;

A resident catchment population of 53,000 - the town draws regular visitors from throughout Ryedale district and is situated mid-way between the major population centres of York (181,000) and Scarborough (106,000);

£143 million visitor spend in Ryedale - the number of regular visitors is swelled further by the nearby presence of many major tourist attractions such as Flamingo Land, Castle Howard, York Minster, Scampston Gardens and Eden Camp. There are 24 million visitor trips a year to the North Yorkshire Moors and Coast region, with £143 million visitor spend in Ryedale alone;

An affluent population - Ryedale District has a relatively affluent population, with an ABC1 bias and unemployment is below the regional and national average;

Regular local markets - Malton has its own regular weekly Saturday Market and monthly Farmers Market; Outstanding architectural features - many Grade II listed buildings and a traditional, unspoilt, central market place with two hours' free parking;

A very proactive Malton Estates landlord and "Business In Action" trader group who, together, have introduced an ongoing programme of special events to attract additional visitor footfall and spend;

Great shopping choice - a wide range of c. 200 independent outlets which offer a totally different shopping and customer service experience to that experienced in national high street retail brands and one-stop shopping centres;

Fantastic food and drink - restaurants, café bars, tearooms and pubs offering a wide range of food and drink, with a growing emphasis on local produce;

Excellent transport links are provided by the A64 and A169; First TransPennine Rail; Coastliner buses; and Leeds Bradford International and Teeside airports;

A proactive, long term development programme - supported by Yorkshire Forward, North Yorkshire County Council, Ryedale District Council, North Yorkshire Moors and Coast Tourism Partnership and Fitzwilliam (Malton) Estates.
