Where  
**good** shopping  
turns **great**

There's a superb blend of the traditional and modern in Malton and Norton, located either side of the River Derwent – just a short distance from the A64 between York and Scarborough.

Malton has the unusual distinction of a high street and market square, a rich Roman heritage and distinctive 18th century buildings. Together with a bus and railway station, Norton's Commercial Street and modern day horse racing connections ensure the towns combine to offer a charming place to visit.

## Shopping

It's surprising what can be found in market towns these days. Stroll down the antique haven of The Shambles, choose designer fashion, lingerie and the very best florists, or simply wander and buy every type of high quality fresh food from friendly local shopkeepers.

## Eating out

A cornucopia of choice awaits you. Whether it's exotic Mexican or Thai or the more traditional English, Indian, Italian or Chinese, there's a choice to please everyone. There are a host of cafes, pubs and hotels and even a local brewery to help you quench your thirst.

## Stay awhile

Malton and Norton have places to stay just where you want to be – in the heart of the town, overlooking the River Derwent or close by in the

beautiful Yorkshire countryside. For hotels and bed and breakfast details contact the Tourist Information Centre on 01653 600048 or visit [www.ryedale.gov.uk/tourism/accommodation](http://www.ryedale.gov.uk/tourism/accommodation)

## Town Trail

Make the most of your visit by following the Town Trail. Use the handy guide leaflet to help bring the town, its buildings, history and people to life.

## EVENTS

There is always something happening, or about to happen. Saturday markets, latest movies at the cinema, a soft play area for children, livestock sales, fashion shows, beer festivals, open air concerts, antique auctions, old time music hall and even Malton Show, to name but a few.
